3. Students will conduct themselves in a manner that reflects positively on the school and the esports program, both within and outside of the lab.
4. Students will not allow unauthorized individuals into the esports arena. Only team members and those expressly permitted by a coach may enter.

6. Students may be held financially responsible for equipment damaged due to negligence or misuse, as determined by coaches and administration.
7. Students will leave the lab clean and organized, turning off all equipment and returning it to its designated location.
8. Students are expected to attend all meetings, games, and practices.
  - If a student is unable to attend an event, they must communicate in advance.
